Descrição	Description
<p>Romanesco é um Poema Sinfónico que procura retratar uma narrativa épica das guerras medievais entre mouros e cristãos. Inicia-se com o cantochão dos monges no convento, dentro das muralhas, interrompido pela chegada dos mouros, que, disfarçados de jograis, entram na muralha e provocam uma batalha. Na secção central – Adagio Elegiaco, o herói anónimo percorre a vila, sofrendo com a destruição. Sempre com base nos temas centrais representativos de cristãos e mouros, desenvolve-se na secção final uma nova batalha. Na obra predomina um ambiente modal e polirrítmico, característico da música medieval.</p>	<p>Romanesco is a Symphonic Poem, that portrays an epic narrative of the medieval wars between Moorish and Christians. Beginning with the monks' plain-chant at the convent, inside of the walls, it is interrupted by the Moorish arrival that, disguised of jongleurs, enter in the wall and provoke a battle. In the central section – Adagio Elegiaco, the anonym hero covers the village, suffering with the destruction. Always based in the Christians and Moorish representative musical themes, a new battle is developed at the final section. In this work, a modal and polyrhythmic ambience predominates, characteristic of medieval music.</p>
